Participation Summary

Section I describes the planned flow of participants through the program: the number entering, those leaving and those remaining in the program. The plan is cumulative on a quarterly basis, and includes carry over participants.

Line A. Total Participants B Enter for each quarter the cumulative number of participants planned for the program year.

> **Participant** is any individual who has received at a minimum the core service of being determined eligible for the program, and enrolled in the program.

> **Line A.1. New Participants -** Enter, for each quarter, the cumulative number of new participants projected to be enrolled in this program year.

> **Line A.2. Participants Carried Over -** Enter for each quarter, the number of participants projected to be in the grantee's program on the last day of the previous program year whose participation will continue in the current program year. This number remains constant for each quarter of the current year.

Line B. Total Number of Participants Exiting the Program - Enter, for each quarter, the cumulative number of participants expected to exit the program during the program year. A participant exits the program when he/she does not receive a service funded by the program or funded by a partner program for 90 consecutive calendar days and is not scheduled for future services.

Section II. Participant Outcomes.

> **Line II. A. Placed in Unsubsidized Employment -**Enter, for each quarter, the cumulative number of participants you expect to place in unsubsidized employment.

> **Line II. B. Completed Training Services -** Enter, for each quarter, the cumulative number of participants you expect will complete at least one training service.

> **Line C. Total Current Participants** (End of Period) - Enter, for each quarter, the projected number of participants you expect to be enrolled in the program as of the end of that quarter.
